The **WATERFRONT COORDINATOR, POOL COORDINATORS, AND BOAT LIFEGUARDS** will be expected to organize the waterfront activities (pool, sound and beach) as well as teach swimming, canoeing, paddle boarding, and sailing (sunfish sailboats). GOALS OF CAMP TRINITY

- To provide a Christian camping experience that is diverse, inclusive, nurturing, loving, and affirming, while challenging each person to be responsible to and for the other.
- To build and live in an intentionally Christ-centered community so that each camper might gain a deeper understanding of and appreciation for his/her own skills, abilities, and gifts as a child of God.
- To develop a sense of thankfulness for and stewardship of God's creation.
- To provide a quality Christian Education experience.

Camp Trinity will be following all recommended safety protocols and will have a high expectation that will require the staff members to do the same. While this summer may still look a little different from past summers, we are thrilled to have staff and campers back at Camp Trinity. Our Camp Director will be happy to

answer any questions and more details will be discussed in the applicant's interview. We appreciate your patience and flexibility as we navigate through this time!

QUALIFICATIONS

The **PROGRAM COORDINATORS** must have at least one year of college and possess leadership skills. (Program Coordinator, Activities Coordinator*, Music Coordinator and Arts and Crafts Coordinator.) *Activities Coordinator positions also require Lifeguard Certification.

The **NURSE** must have an RN degree (or higher).

The **ARTS AND CRAFTS COORDINATOR** must have experience in teaching and be creative in planning and implementing arts programming in camp.

COUNSELORS must be high school graduates and/or 18 years of age. This position seeks individuals with excellent skills in the care and support of children in the camping program.

We hope that you would come to us with some experience working in a Christian setting with young people; however, it is not a necessity. Teaching and outdoor skills are welcome, but again are not necessary. We also need people who are in good physical condition, who learn rapidly, who like and respect young people, and who affirm camper potential. Staff also need to be eager to work hard and long hours. They must be able to adapt to change and handle difficult situations. Camp is indeed a place where staff can share and grow in their leadership qualities.

The salaries for the positions will be announced at time of contracting with staff for the summer season. **All include your room and board.** All salaries vary and are subject to the standard taxes.
