CAMPUS MINISTRIES

The Well – East Carolina University

The Well has had a year of growth, going from 4 regular students to 10, with many more who are less frequent guests. We moved from ECU's campus back to St. Paul's, Greenville, and have enjoyed having a fixed space to meet. This year we have explored Christian spirituality in many ways, including weekly worship and prayer times, public liturgies such as our Ashes to Go service where we imposed ashes on 160 people at the college, various service projects, and a joint retreat with UNCW's ECCU at Trinity Center.

ECCO- Episcopal Campus Christian Organization at UNCW/ Cape Fear Community College

2026 has been an outstanding year of being community, exploring our faith and sharing with those around us.
ECCO reaches people who are unchurched, those of various faith backgrounds and "cradle Episcopalians" with equal respect and support for their journeys. Participants include both students and alumni who are now "young adults".
ECCO programs are grounded in the scriptures and peppered with good questions and discussion or activities to bring the scriptures into our daily lives. As we discover God's love for us through Christ, we keep watch on how we share that love with our neighbors.This fall, our theme is "A Time to Plant", and we are exploring how what we plant matters to the world God wants for us.
ECCO would like to thank the diocese for your continued financial and staff support. We also thank Rev Fanny Belanger for her creative and fresh look at the life of Jesus and the "saints and scoundrels" who impacted his ministry. And we thank Church of the Servant for housing us and providing great food for our weekly community meetings.
Other activities: Retreat at Trinity Center in spring and worship with St Francis by the Sea; volunteering at a community garden; Summer ECCO meetings for dinner; Ashes to Go on campus; Summer Bible study and "Reading Day Treats" to fellow students on campus.

Blessings,
Alfreda Gee
